a list of all our pun topics enjoy. James woods actor vampires James Howard Woods was born on April 18, 1947 in Vernal, Utah. The son of Martha A. Smith and Gail Peyton Woods, a U.S. Army intelligence officer who died during World War II, James is of Irish, English, and German descent. He grew up in Warwick, Rhode Island with his mother and stepfather, Thomas E. Dixon. He attended the University of California at Los Angeles, where he studied political science. After graduating, he moved to New York City, where he began acting in theater and on television. He later got his big break in the 1985 film "Birds of Prey," which earned him a nomination for an Academy Award for Best Supporting Actor.

James has since gone on to star in numerous films, including "The Omen," "The Fugitive," "Die Hard," and "Con Air." He has also appeared on television in shows such as "ER," and "The West Wing." He is known for his portrayal of the charismatic, yet often cruel, vampire Spike in the television series "Buffy the Vampire Slayer."

In addition to his acting career, James has also dabbled in music and writing. He co-wrote the 1997 novel "Angel," which was later adapted into a television series. He has also released several albums of music, including the book "Songs for a Child's Heart."

James is often recognized for his philanthropic work, particularly in the areas of education and the arts. He is a member of the board of trustees for the University of California, and has also served as a board member for the Museum of Modern Art. He is also a member of the board of directors for the Actors Fund, a charity that supports actors in need.

James has been married several times, and has two children. He is often seen in public with his girlfriend, actress and model Jenny Jones. Despite his fame and success, James remains relatively private about his personal life, choosing to focus on his work and his family. He is known for his dedication to his craft, always striving to bring depth and nuance to his roles, and for his strong work ethic. He is a true Hollywood icon, and continues to be a beloved figure in the entertainment industry.
