A family and friends day at a Baptist church should be treated as a celebration as long as you spend a lot of time planning all the details. It should be a great success if you have any concerns or questions about the family and friends day at your Baptist church, then of course the best person to ask is the leader of the church. They will have overseen many family and friends days, a day on which members of the church are encouraged to invite as many friends and relatives as possible to join them for a day of worship. The individuals who are invited for the day are not official members of the church, and family day can be celebrated in many ways. These are the best examples of church family poems written by international poets:
