April 20th, 2019 - of that of China. But it does include Hong Kong and Macao, the British and Portuguese possessions on the south China coast, as their history is bound up with that of South East Asia rather than with that of China. With so many different countries being covered, the history of any one country is necessarily fragmented.

- **China to 1850: A Short History by Charles O Hucker**

November 23rd, 2011 - The history of China is a long, huge, fascinating thing, and lucky for me Hucker crammed the whole thing into a digestible package. In the prologue he explains various attempts at classifying Chinese history and his reasoning on divining it into 3 distinctive periods which also explains why the book ends with 1850.
