How to Obtain a Divorce Decree From California LegalZoom
April 17th, 2019 - A divorce decree is the final order from the court that officially ended the marriage. It is needed for various reasons such as to verify the divorce terms and to prove the divorce is final. Losing the original divorce decree makes proving the divorce terms or end of the marriage more difficult. Either former spouse has the right to access it.

Where to Obtain a California Divorce Certificate
April 17th, 2019 - Remarks
A Certificate of Record includes only the names of the parties to the divorce, the filing date, the county where the divorce was filed, and the court case number. It is not a certified copy of the divorce decree and does not indicate whether the divorce was ever finalized in court. The California Department of Public Health Vital Records only has information for divorces that were finalized.
