Chimamanda Adichie Half Of A Yellow Sun

Chimamanda Ngozi Adichie's novel, *Half of a Yellow Sun*, tells the story of the Biafran War through the perspectives of the characters Olanna Odenigbo, Ugwu, and Richard. The novel was published in 2006 by Knopf Anchor. Adichie was first inspired to write by Chinua Achebe, the Nigerian fiction writer most popular in the West and author of *Things Fall Apart*. Based on a TEDx talk the Nigerian writer gave in 2012, *We Should All Be Feminists* is a potent tour de force on the subject of gender equality, one that whispers rather than shouts and confides.
