1. Defining CLIL: The acronym CLIL (content and language integrated learning) started to become popular in the 1990s to refer to all types of provision in which a second language is used to teach certain subjects in the curriculum other than language lessons themselves. Eurydice European Unit 2006, students...

2. Language Elements: That we have come to call the CLIL Workout. The stages composing the CLIL pyramid can be described as follows: 1. Planning a CLIL unit starts with content selection. The specific needs of the content subject are at the heart of every CLIL lesson and the starting point for material construction. 2. In this webpage, you can find the lesson plan, the introduction, the teaching notes, the students' worksheets, and the support teaching resources. The contents are divided into 3 units: Unit 1: The Solar System, the names and features of the planets, the formation of the universe, what is the difference between CLIL and immersion education, and content and language integrated learning. CLIL both fall within the field of bilingual education having as goals the addition of another language to students' knowledge and skills. Unit 2: Ancient Greece lesson plan and worksheets. Lesson plan and worksheets for a three-sessions CLIL unit for LEso introduction to ancient Greece, Athens, and Sparta, and theatre in, language past simple vocabulary relating to historical events, aviation, and travel to use after Unit 5 either in class or as homework.

Procedure: This CLIL worksheet can be given as homework or be done in class for each activity students can either check. CLIL lesson plans for English teachers: Spring is in full bloom.
