Clusters of entrepreneurship and innovation: Aaron Chatterji, Edward Glaeser, William Kerr April 2013. Abstract: This paper reviews recent academic work on the spatial concentration of entrepreneurship and innovation in the United States, building on a case study of an entrepreneurial venture. We investigate the role played by business models in the innovation process rather than debating their accuracy and efficiency. We adopt a pragmatic
approach to business models we examine them as market devices focusing on their materiality use and dynamics, a list of
