aligned to the world language content standards adopted by the state board of education in January 2009 the world foreign language framework for California public schools kindergarten through grade twelve was adopted by the California state board of education on May 9, 2001. The members of the state board were world foreign language study benefits all students. The study of another language leads to higher scores on standardized tests reading, math, SAT greater cognitive development in the areas of mental flexibility, creativity, divergent thinking, and higher order thinking skills. A broader English vocabulary, a better understanding of one's own language and culture, and enhanced career. In order to understand the connection between language and culture, students discern how a culture views the world. Students comprehend the ideas, attitudes, and values that shape the target culture. Recognize similarities and differences within the target cultures and among students' own cultures. The CLTA board is entering the third year of the new strategic plan process for 2017-2021. We are asking world language professionals to become a part of the planning as we move our association forward.

Exemplary lessons earned fours and fives or at least passing scores on task 1 rubrics. Some characteristics shared between lessons helpful for earning points include: clear labeling and description such as lesson title, learning targets, and activities. Prospective students and applicants for fall 2019 should continue to submit scores from the ACT or SAT during the application process through the Cal State Apply website as part of ongoing efforts to improve access and student achievement. The CSU continues to evaluate measures for undergraduate admission and placement.
