Business Vocabulary Builder Macmillan

Paul Emmerson works as a writer, teacher, and teacher trainer. He is the author of several Macmillan titles, including Email English: Business Builder, Business Grammar Builder, and Essential Business Vocabulary Builder. He is also the author of the Macmillan Business Vocabulary Builders for pre-intermediate to upper intermediate levels. These books are designed to help students enrich and expand their vocabulary, allowing them to express themselves more fluently and confidently in a professional context.

The course is specifically designed for students with an intermediate level of English or above. The course focuses on business language input while the second part is dedicated to professional communication skills. Essential Business Vocabulary Builder is a grammar and reference book for professional adults who need to maintain and practice their English in a business context. It includes 16 self-administered tests, an audio CD for language recognition and pronunciation skills, a grammar index, and an answer key. It is the perfect way to enrich business vocabulary, essential business vocabulary, and professional communication skills.

The book is devoted for self study or for the classroom. Business Vocabulary Builder is the higher level sequel to Essential Business Vocabulary Builder. The first part of the book focuses on business language input while the second part is dedicated to professional communication skills. The Macmillan Business Vocabulary Builders are designed to reflect course quality fairly and accurately.
context, business vocabulary builder is a series of adaptable photocopyable resource packs spanning three modules and providing excellent material for the intermediate business English classroom.
