Unique Individuals In Our Global Community

Home of the Panthers About Us dewittschools.net
April 18th, 2019 - Every child is a unique individual. Everyone is a teacher and everyone is a learner. Parents, families, staff, and the community share the responsibility of working together for the success of all students. Trust, honesty, and respect are essential for learning. Our students deserve a safe and orderly school.

Cultural identity Wikipedia
April 18th, 2019 - Cultural identity is the identity or feeling of belonging to a group. It is part of a person's self-conception and self-perception and is related to nationality, ethnicity, religion, social class, generation, locality, or any kind of social group that has its own distinct culture. In this way, cultural identity is both characteristic of the individual but also of the culturally identical group.
