The European PRM Board examination is open to PRM qualified specialists and last year students in PRM from the UEMS Member countries and associated countries. The Board certificate does not confer the right to practice PRM since this is under the control of national structures. It is an attestation that the specialists have attained the required education, quality of PRM programmes, and field of competence. The Action Plan of the Physical and Rehabilitation Medicine PRM Section and Board of the European Union of Medical Specialists (UEMS) 2008-2010 aims to harmonize training and assessment of medical specialists in physical and rehabilitation medicine across Europe. The contribution of the UEMS PRM Board is significant.

The Italian Society of PRM, led by Prof. Fiore P. and Chair of Physical and Medicine Bari University, Italy, has organized a meeting of the Board of the European Union for Physical and Rehabilitation Medicine under the auspices of the UEMS PRM Board. Comments from Irina Bujac of Moldavia are gratefully acknowledged for her contribution to this effective and informative platform. The authentication procedure will take place on 10th September 2019 in the presence of the UEMS Notary and Dr. Bernard Maillet, UEMS Treasurer, who will sign the diplomas on behalf of the UEMS Executive. More information is available here.

Individuals, Prof. Aydan Oral, will submit it for approval to the Certification Committee of the UEMS PRM Board. After 10 years of senior fellowship, recertification is mandatory to keep the title of Board Certified Specialist. Recertification is free and always based on CPD/CME activity of the last 5 years.
