ancient Chinese art has varied due to changes in times and dynasties. Important religious figures have also played a role in the development of Chinese art. Chinese painting is one of the major art forms produced in China over the centuries. Chinese civilization is not the oldest in the world; those of Mesopotamia and Egypt are far older. While the early Western cultures died, became stagnant, or were transformed to the point of breaking all, according to Pornchai, it took him many years to master the right texture of coffee and water. If too much coffee is used, the texture will be too elastic to paint with and cause unwanted glittering flakes on the paper. James Cahill, Professor Emeritus of History of Art at UC Berkeley, observed that Chinese art also had social and moralistic functions. The earliest murals portrayed benevolent emperors, wise ministers, loyal generals, as well as their evil opposites as examples and warnings to observers. Portrait art had a similar moral function. Chinese painting is one of the oldest continuous artistic traditions in the world, and painting in the traditional style is known today in Chinese as gihu (simplified Chinese: traditional Chinese, meaning national or native).
painting as opposed to western styles of art which became popular in China in the 20th century. Traditional painting involves essentially the same. Chinese painting is one of the oldest continuous artistic traditions in the world. The materials used in Chinese painting—brush and ink on paper and silk—have determined its character and development over thousands of years. Derived from calligraphy, it is essentially a linear art employing brushwork to evoke images and feelings. Once on paper, brushstrokes cannot be erased or corrected. So, a. James Cahill, professor emeritus of art at UC Berkeley, 7 Charles Stone, the fountainhead of Chinese erotica, The Lord of Perfect Satisfaction, Ruyijun Zhuan, Honolulu: Univ of Hawaii Press, 2003.
