Diagnosis Trouble Code (DTC): Diagnostic Trouble Codes or fault codes are codes that are stored by the on-board computer diagnostic system. These codes are stored in response to a problem found in the car. The C1457 diagnostic trouble code or C1457 diagnostic trouble code C1457 is a kind of OBD II diagnostic code. It is considered generic because it applies to all makes and models of vehicles, although specific repair steps may be different depending on your car model.
