culture of Thailand has evolved greatly over time from its relative isolation during the Sukhothai era to its more contemporary Ayutthaya era which absorbed influences from all over Asia, strong Indian, Chinese, Burmese, and other Southeast Asian influences are still evident in traditional Thai culture. Buddhism, animism, and Westernization also play a significant role in shaping the culture. Dr. Alfred Kinsey shocked the US back in the 1950s when his infamous Kinsey reports claimed that 8 of males and 4 females had at least one sexual experience with an animal. Perhaps unsurprisingly, there was a much higher prevalence for zoophilic acts among people that worked on farms. For instance, 17 males had experienced an orgasmic episode involving animals. On our arrival, Ankur's dad gave both of us a very warm hug. A little too hard, I felt, but I did not discuss it with Ankur as I felt he may not feel good about it. One day, Ankur said that we shall all go to watch a movie and we all went.

Chapter 1: It was after a couple of years that my wife Jyoti and me finally saw a film in a cinema hall. I hardly get time from my busy work schedule and prefer to watch movies on television.
