Jane Goodall’s original tale of chimpanzees still
April 23rd, 2019 - After that I hope to make behavior studies in other parts
of Africa because until we have sufficient comparative data we cannot tell if
the behavior of the Gombe Stream chimpanzees differs from

Chimpanzee Violence is a Serious Topic A Response to
March 30th, 2019 - coalitionary killing is a characteristic behavior of
chimpanzees S amp M draw attention to three kinds of observation that appear
to challenge that conclusion First they suggest that after Goodall began her
studies in Gombe there were so many years without violence that non violence
should be regarded as the true pattern But S amp M are confused
