Modeled after Jim Burke's Common Core series, this Grades 6-8 volume of the California ELD standards companion is every bit that version of the standards you wish you had because it's just so easy to digest and apply its all here. Lessons aligned with state standards, Lead2Feed is an innovative program that educates students about leadership and the issue of need in their community through leadership activities. The lessons in the program have been carefully aligned to the Common Core State Standards for English language arts, the power of connected ELD only California Wonders seamlessly integrates ELA, Integrated ELD, and designated ELD instruction with connected instruction and resources. This connectedness provides English Learners with equitable access to rigorous content in meaningful contexts. To date, 46 states and the District of Columbia have adopted the Common Core Standards initiative for English language arts, including updated secondary English language development standards for English as a second language learners in 2012. The Character Development & Leadership Curriculum and the Role Models textbook were aligned to serve these new national standards. The commitment to a high quality education based on sound content standards was reaffirmed in August 2010.
when California joined with 45 other states and adopted the Common Core State Standards for English Language Arts and Literacy in History/Social Studies/Science and Technical Subjects (CCSS for ELA/Literacy), this series is the product of collaborative efforts between the California Department of Education and content and professional learning experts throughout California to help educators transition to the Common Core State Standards. The series includes thirteen modules that are available in both online and on-site professional learning formats, engaging English learners in the Common Core ELA literacy. Unpacking and implementing California's new ELD standards K-5, 6-12, engaging ELS deepens teacher understanding of the CA ELD standards and their relationships to the CA Common Core State Standards. At its September meeting last month, the panel heard from California Department of Education staff regarding the development process for updating the state's ELD standards to align them with the Common Core State Standards for English Language Arts, Literacy in History/Social Science, and Technology Subjects. Sample responses include:

What is the relationship between the CA ELD standards and the CA CCSS for ELA literacy?

From my understanding, the California ELD standards are very closely aligned to the California Common Core Standards for English Language Arts and Literacy. CA ELD standards and the framework align with both sets of standards which are state-specific. California modified the Common Core Standards in 2013 and has its own state-wide system of ELD standards. The framework is also intended to provide instructional guidance and lesson ideas for teachers. What this unit is about in this unit, you'll find an overview of the CA ELD standards and an introduction to their use.

All English learners must have full access to high-quality English language arts, mathematics, science, and social studies content as well as other academic subjects while simultaneously learning English as an additional language. Teachers are implementing the Common Core State Standards in CA. Watch this 3-minute video to learn more about the new standards and check out this toolkit to get in-depth information. Also, check this Common Core California Showcase to see success stories as educators work in the CCSS realm.

The goal of the Project CORE ELD Institute is to provide teacher participants with a high level of knowledge of the theoretical foundations and structure of the California 2012 English Language Development Standards to maximize their effectiveness in teaching English learners in a variety of program models and language learning contexts. Curriculum shapes the instruction that happens in the classroom. The good news is that schools...
