When the Yugoslav writer Ivo Andric was a young man he was arrested under suspicion of involvement in the assassination of the Archduke Franz Ferdinand.

Ivo Andric describes this Slavic nationalism as well growing modernization in one specific town Visegrad that lie in the heart of the Balkans. In the center of this community stood a stone bridge. This bridge, the Mehmed Pasa Sokolovic Bridge of Visegrad, was built over the Drina from 1571 to 1577.

A vivid depiction of the suffering history has imposed upon the people of Bosnia from the late sixteenth century to the beginning of World War I. The Bridge on the Drina earned Andric the Nobel Prize for Literature in 1961. A great stone bridge built three centuries ago in the heart of the Balkans by a Grand Vezir of the Ottoman Empire dominates the setting of Ivo Andric's novel.

Author Ivo Andric Year 1945 Goodreads Around the World Bosnia and Herzegovina Review I loved this book. How I felt about it can be summarized in a short form, however, why I felt that way might be a bit harder to explain. Or rather how I loved it and not how much. The thing…

Ivo Andri? was born in 1982 in Travnik, Bosnia of Croat parents and grew up alongside Orthodox Christians, Moslems, and Roman Catholics in Visegrad, the town on the banks of the Drina in which the book is set. Until 1941 he serves a Yugoslav diplomat then placed under house arrest in Belgrade by the occupying Germans. Andric turned to writing.
