and provide a general overview of worldwide statistics. 2007 08 2008 09 2009 10 2010 11 2011 12 2012 13 2013 14 2014 15 2015 16 2016 17 2017 18 USA, Turkey, China, Iran, India, others 0 5,000,000. Source: China Water Risk article Ministry Reform 9 Dragons to 2. 18 April 2018 Water Pollution Prevention and Control Action Plan 2015 made in China 2025 Plan Circular Economy Development Strategies and Action Plan 2013 China Statistical Yearbook 2013 China Environmental Yearbook 2013, the United Nations Statistics Division collects, compiles, and disseminates official demographic and social statistics on a wide range of topics. Data have been collected since 1948 through a set of questionnaires dispatched annually to over 230 national statistical offices and have been published in the demographic yearbook collection. Obtaining BFS data directly from the China Statistical Yearbook is highly problematic because there exist deficiencies in China's statistical system such as the change of the statistical range and change of the statistical caliber over time. In 2013, the green building, data resources are the China Health Statistics Yearbook 2014 and the China Statistical Yearbook 2014. Four indicators were chosen to measure the trends in equity of health resource allocation data were disaggregated by three geographical regions west, central, and east. Theil index was used to calculate the degree of unfairness. The statistical yearbook of the Ministry of Foreign Affairs and International Cooperation is the canvas on which the story of Italy's foreign policy and the structures through which it is implemented is woven in numbers and statistics. Now in its 14th edition, the yearbook is designed as an instrument for annual data statistical database monthly data quarterly data annual data census data, Chinese Energy Statistics Yearbook China Statistics Press 2013 Google Scholar 7 Intergovernmental Panel on Climate Change 2006 IPCC Guidelines for National Greenhouse Gas Inventories IPCC, the China Eco City Tracker is a project initiated by the Asia Pacific Foundation of Canada (APF Canada) it traces, visualizes, and analyzes the environmental data of China's 31 provincial capital cities and direct administered municipalities. It offers the users a tool to track the changes in environmental protection performance of China's major cities since 2013, the latest data from the China Energy Statistical Yearbook is available for 2014 the data for 2015 has not yet been published according to the third economic census the China Energy Statistical Yearbook has adjusted energy consumption data since 2000 therefore from the perspective of energy consumption data the appropriate research scope, acceleration in energy consumption in 2017 2.3 vs 1.1 in 2016 global energy consumption was spurred by the rebound in China the world's largest energy consumer since 2009 triggered
by the sustained economic growth, asea statistical earbook 2013 iii foreword the asean statistical yearbook asyb 2013 is a compilation of relevant economic and social statistics of the asean member states which should foster better knowledge and understanding of the regions, isbn issn 9787503770227 china energy statistical yearbook 2013 bilingual is a comprehensive reflection of china s energy construction production consumption supply and demand balance of authoritative information on the book from 1986 by the national bureau of industrial and transportation statistics division editor 2008 edition onwards by the editor of the national bureau of, the content of the statistical yearbook is oriented to serve a general readership the yearbook endeavours to provide information for various bodies of the united nations system as well as for other international organizations governments and non governmental organizations national statistical economic and social policy bodies scientific and educational institutions libraries and the public, source china statistical yearbook 2013 2016 8 the invisible assassins chinas economy has grown at an unprecedented pace over the past few decades and it is widely accepted that economic growth came at the price of its environment and public health one of the most direct dangers to public health is the, the 2013 edition of fao s statistical yearbook released today sheds new light on agriculture s contribution to global warming trends in hunger and malnutrition and the state of the natural resource base upon which world food production depends, the statistical yearbook 2017 of the austrian economic chambers wko provides an overview of the most important economic data for austria with a focus on the trends of 2016 as well as from a longer term perspective with these selected statistics the wko hopes to present some useful, worldsteels steel statistical yearbook presents a cross section of steel industry statistics it contains comprehensive statistics from 2006 to 2015 on crude steel production by country and process steel production by product steel trade by product apparent steel use and apparent steel use per capita by country as well as production and trade of pig iron and directly reduced iron, finance yearbook of china 2010 2014 and china statistical yearbook 2010 2014 having the highest revenue per capita is 7 4 times of the lowest level province gansu thus the financial gap between regions is still very large in china under the background of new urbanization the midwest region still, statistical yearbook is a source of useful knowledge about the danes and the danish society the statistical yearbook 2013 contains an almost endless number of figures and presents a detailed insight into the danish welfare society throughout the recent decades the book offers various perspectives on the life of the danes,
currency figures are given in millions or billions 1 usd nominally converts to 6.23 cny according to the average 2013 exchange rate and to 3.7603 by purchasing power parity though prices vary from region to region within China the Hong Kong and Macau GDP figures are given in US dollars based on purchasing power parity, recently a 2013 Taicang statistical yearbook edited by the Taicang municipal statistics bureau was published it records Taicang’s economic and social development in 2012 using statistical data, there are two statistical yearbooks published by the National Tourism Administration of the People’s Republic of China each year to provide the related tourism datasets from the Yearbook of China tourism statistics this study chooses the panel variables of the income from the international tourists to each province in China from 2007 2013, in case you are looking for publications published before 2010 please contact information services of the Czech Statistical Office e-mail: info@szso.cz phone: 274 052 304 the prices in EUR and USD are only indicative and correspond to the approve date of the catalogue of products, National Bureau of Statistics of China China energy statistical yearbook 2013 China Statistics Press 2014 Google Scholar 22, ©oecd2016 1 China amp with over 1.36 billion people the People’s Republic of China is the world’s most populous country and has the world’s largest education system, ISBN: 9787037696344 I China Statistical Yearbook 2013 is an annual statistical publication which reflects comprehensively the economic and social development of China.
