1. What is the purpose of introducing new qualifications? The new qualifications are introduced to align with the new higher education qualification sub framework (HEQSF) as gazetted by the South African Department of Education on 2 August 2013. What are your options if you don't have the marks likely to lead to an offer in medicine? Fortunately, there are many other good options for health study and medicine careers with lower academic requirements and even some that don't require physics and accept maths literacy. The Plutocracy Cartel: An entrenched global elite of vast wealth has spread its tentacles over the earth wielding extraordinary power over world affairs. Note the fees in this prospectus are for the 2018 academic year and are provided to assist you in your planning. Disclaimer: This information is subject to change based on approval and accreditation of HEQSF aligned qualifications.
