Our weekly church service is held at 10:00-11:00 AM on Sunday, along with Sunday School and Wednesday testimony meetings from 6:30-7:30 PM. The Christian Science Reading Room is a library, bookshop, and study center dedicated to sharing the healing ideas of Christian Science, independent Christian science. The church's six tenets include the belief that adherents should take the inspired word of the Bible as their guide to eternal life. A weekly Bible lesson offers individual study and is the heart of the Sunday worship services. It helps us hold forever the consciousness of existence and break out of limited perceptions through truth and Christian Science.

The Christian Science Quarterly offers fresh inspiration and healing solutions for life's many challenges. It is distributed at each church service so attendees can follow along with the weekly readings. MyBibleLesson is the provision from the mother church for young people to access the weekly Christian Science Bible lesson online. The Christian Science Bible lesson is different each week and includes five or more different sections. The weekly Bible lesson sermon changes weekly and consists of citations from the Bible and Science and Health with Key to the Scriptures by Mary Baker Eddy. The weekly Bible lesson is a wonderful basis for prayer and Bible study.

Mary Baker Eddy appointed a committee to issue a monthly periodical called the Christian Science Bible lesson from January 1890. After the first three monthly issues, the lessons were published quarterly and became known as the quarterly.
